- a. Discuss estimates of how many teams at level.

About the same layout as last season...

b. A-Fib & CPR Discussion

May explore option to have AED machine at game locations

- Cherry Hill has one AED @ home field
- May explore options to help some programs, executive committee needs to discuss this first
- Could fire dept. have one donated
- US Lax was doing AED grants in the past
- Seneca has one at the front on the facilities
- Could split cost across clubs in each township if all play at the same facility. (Soccer, Lacrosse, Field Hockey, Football, ect...)

Are coaches required to be CPR certified?

- No

Are the refs CPR certified?

- Will have to ask

May want to provide CPR training for coaches at league level.

- Washington Twp is looking to require coaches to be CPR certified.

Could coordinate with visiting team to bring AED is an option, could be difficult to coordinate?

6) Open Floor

Competition Committee:

- *Can you have kids play up to fill roster spots on low number teams?*
 - o Could be problematic for insurance but will have to investigate it.
- *Can we get more clarification on player's ability to play up (Medford)*

Brad, Medford:

- *Does the league require coaches at each level to be Level 1 certified with USLacrosse? - Yes*
- *How are we tracking that? - Unsure will have to ask senior board members...*

Equipment Requirements?

- USLacrosse regulations
- All chest pads are required to be certified
- Equipment guide ([click here](#))

34 age group rule regarding no down checking:

- Seems like not allowing the down checks is counterintuitive
- Kids are now slashing up now instead
- Some towns & refs allow the kids to down check

12 age group:

- Some teams were not following rules of play at age group (down checking)

7) NEXT MEETING February 14th, 2023 @ 7:30 PM
