3. Discussion

a. Discuss EOY Tournament

- May 19th
 - i. Who Can Host?
- Gloucester Township can host the 1/2 age group
 - ii. How do we split up ages?
 - iii. Vendor Requirements?
- *Jason Burke - did we pay fees for the EOY tournament last year? Do those fees roll over to this year? Fees (to pay the host town for utilities, ect...)*

b. Game Reports and Comments

- i. Reinforce making good game notes INCIDENT WITH PARENTS, INJURIES,
- ii. Note / Question regarding Scores being reported in a timely manner...
- *Do the refs have to enter scores in? YES*
- *IF YOU DO NOT SEE SCORES OR SCORES ARE INCORRECT, CONTACT THE BOARD (LEE, CHRIS, COLIN).*

4. Open Floor

- *What are the dues for this season? We will get this info and address at the next meeting.*
- *STEVE SWEGELL [Monroe] - merging of 5/6 a & 5/6 b has had some issues including injuries and competition of play (have to play friday games which wasn't expected).*
- *SHAWN O'BRIEN [Woodstown] - talked to the other team before the game and they explained that they have a young team. Shawn's team knew what to expect going into the game and moved kids around to have fun and try new positions (didn't go there to just beat up on a younger & less experienced team). The league would suggest keeping an open dialog between coaches and if you have any concerns with your team, let the opposing coach for that week know.*
- *CHAD FLEXON [Washington Twp] - enjoys the variety of the 5/6 division this year, the team is exactly in the middle.*
- *MATT SCASSERO [Seneca]:*
 - a. *5/6 team gets to experience the wide variety of skill sets throughout the league*
 - b. *Competition Committee felt rushed - get previous season data in order to better place / compare team*
- *CHRISTOPHER [Washington Township] - plays multiple teams in 5/6 and was wondering why this was. Because of the way the schedule worked out.*
